

MA-300D Portable Wireless PA System

Features

- The two-way speaker cabinet is redesigned to improve the efficiency in treble frequency and delivers a clear and powerful sound effect for both speech and music.
- Easy hand-carrying or stand-mounting makes MA-300 the most ideal megaphone for various applications.
- Two UHF or ISM 5.8 GHz band receiver module for long-distance and reliable reception performance.
- Plug-in Bluetooth module, USB player/recorder, built-in echo function, and alarm siren which has a fade-in effect.
- Equipped with audio input mixer. Each audio source has individual volume control.
- Removable Li-ion battery holder for fast insertion and replacement.
- Bluetooth with TWS technology can combine two megaphones for stereo sound.
